

**Pew Hispanic Center
July 2006 Latino Immigration Study
TOPLINES**

The study was conducted for The Pew Hispanic Center via telephone by ICR, an independent research company. Interviews were conducted from June 5 – July 3, 2006 among a nationally representative sample of 2000 Latino respondents age 18 and older. The margin of error for total respondents is +/-xxx at the 95% confidence level. More information about ICR can be obtained by visiting www.icsurvey.com.
